Product	Price/Pkg	Quantity	SubTotal
<b>50lb Bag of Instant Skim Milk:</b> Fortified with vitamins A & D, Instant Milk can be mixed with water at any temperature which makes it ideal for hot cocoa, homemade mixes, camping, and storage. When drypack canned, Instant milk has a 10+ year shelf life.	\$ 148.00		
<b>50lb Bag of Instant Whole Milk:</b> Fortified with vitamins A & D, Instant WholeMilk provides a versatile storage option for families with infants and young children. It can also be used to make wonderful cheese and sauces. Mixes best in luke-warm water. Stores for 5+ years when drypack canned.	\$ 156.00		
<b>55lb Bag of Low Heat Non-Instant Skim Milk:</b> Non-Instant Skim Milk is the most affordable milk on the market. It provides all the same benefits as instant, but takes less powder to make the same quantity. It also costs less than Instant. Use it for drinking, make cheeses, yogurt, cream cheese, evaporated milk, any dairy product for less. When drypack canned, Non-Instant Milk stores for 20+ years.	\$ 152.00		
<b>5lb Bag of Cream Powder:</b> can be used for heavy cream in sauces, soups, and even Ice Cream. Add just a few tablespoons to the Non-Instant Milk to add creaminess without any aftertaste. Cream Powder is 42% fat just like it's liquid counterparts. When drypack canned, stores on the shelf for up to 5 years.	\$ 20.00		
<b>5lb Bag of Butter Powder:</b> can be used for butter in both liquid and solid states. Just add water and oil. Great for popcorn, sauces, soups, and even on toast! Butter Powder is 72% fat just like regular butter. When drypack canned, stores on the shelf for up to 5 years.	\$ 34.00		
<b>Wip-it Whipped Topping by the Bag:</b> (1 pkg makes 2 gallons of whipped topping) A great alternative to whipping cream is less expensive and easier to deal with. Wip-it doesn't melt when not refrigerated, and holds it shape without being too hard.	\$ 4.50		
 <b>Mary Ann's Make It with Powdered Milk Cookbook:</b> This is the book that put Mary Ann on the map! Get all the information and recipes you need to make powdered milk the most versatile product in your food storage! Recipes for cream cheese, yogurt, ice cream, sherbet, hard and soft cheeses, buttermilk and more! The best part is that all of these recipes take less than 5 minutes to make.	\$ 8.00		
 <b>1lb Cheddar Cheese Powder:</b> Stores in the bag for 1 year. Excellent for making homemade cheeses, cheese sauces, and even popcorn.	\$ 4.75		

	<p>1lb White Cheddar Cheese Powder: Stores in the bag for 1 year. Excellent for making homemade cheeses, cheese sauces, and even popcorn. Has a more mild flavor than the sharp cheddar.</p>	<p>\$ 5.50</p>		
	<p>1lb Bleu Cheese Powder: Stores in the bag for 1 year. Excellent for making homemade cheese crumbles, salad toppings, and even burgers.</p>	<p>\$ 8.75</p>		
	<p>1lb Parmesan Cheese Powder: Stores in the bag for 1 year. Excellent for making homemade cheese crumbles, salad toppings, dressings, sauces.</p>	<p>\$ 6.00</p>
